

Mobile Biometric Service

BLS is pleased to offer Mobile Biometric Services as a convenient, time-saving and relaxed way of submitting your Visa Applications from the comfort of your home or office as per convenience.

Applicants / Groups may schedule an appointment and your visa application forms, documents and biometric data will be collected at the place of your choice by our Mobile Biometric Officers. Get to know the status of your application at every stage through SMS and your passport will be returned to you by courier post processing.

To know more / avail this service please:
